

Mackenzie College Senior Stationery List 2019

Year 11 students are now BYOD – see extra page for requirements

Yr 12-13 students are expected to bring their own chrome book or laptop to classes wherever possible. The school chrome books are used primarily by Year 7 and 8 students.

GENERAL STATIONERY			
Pens, pencils and Highlighters	Ruler	White Board pen	4 Gb Pen drive - sometimes useful
Protractor	Glue Stick	Head/ear phones	Compass
Planner \$12 charged to accounts		Printing Credits \$2 and upwards credits available from office	

Explanatory notes

1. Consider using an exercise book for class notes. Many students choose this.
2. For distance education classes the teacher sets the requirements. Use exercise books, folders etc. from last year where possible and don't buy too much refill at once but share amongst subjects. One pad at a time is enough. Includes graph paper for Science and or Maths.
3. Students are encouraged to bring their own laptops or similar devices.

Subject	Level 1 (Year 11)	Level 2 (Year 12)	Level 3 (Year 13)	
Sciences	Agriculture	1B8-64 exercise book Coloured card dividers Ring binder or lever arch file

PTA FUNDRAISER

www.ezcover.co.nz - the easy way to cover exercise books! Lots of designs to choose from & only \$1.70 each for all sizes. 15c from each cover goes to Mackenzie College PTA. Online ordering only. Select Mackenzie College from the dropdown box, then enter the code EZ15. Come into the Library with your credit card if you'd like help ordering. Thanks for your support of PTA. See November 30th Newsletter for more info. Flyers at Office.

Bring Your Own Device (BYOD) - 2019

Year 9 to 11 students will be required to bring a digital device to school to support their learning. This device can be an existing one from home or a new computer, as long as it meets the requirements below. Additional items that will need to be supplied are headphones and a bag or case that provides adequate impact protection.

Choosing a device

A wide range of digital devices are currently available, and the College has determined that **Chromebooks** or **Laptops** (Windows or Mac) are the only suitable devices for our students' BYOD needs. Tablets (Android or iPad) are not suitable. The machine supplied must meet all of these essential requirements:

- It must access WIFI
- It must run Google Apps (this is school's online email and online collaborative document suite)
- A screen 11" or larger
- A physical keyboard (not part of the touchscreen)
- A battery life that will last the school day (a minimum of 5 hours of continuous work)
- Portable

Bringing an **existing device from home is acceptable** as long as it meets the specifications described above.

Purchasing a device

If you do not have a suitable device already, most major stores will offer a range of BYOD bundles. The school cannot purchase bulk deals cheaper than what the major stores currently offer. A complete (budget) bundle can be obtained on hire purchase for just over a \$1 per day. A bundle typically comes with:

- Headphones and Mouse
- Impact protection, e.g. a laptop bag or hard case
- Extended warranties and insurance (highly recommended)

If a device is required for video or photo editing, then a laptop (Windows or Mac) is the recommended option.

The College gets regular flyers from IT companies with offers of BYOD bundles. Contact the school office (office@mackcollege.school.nz) for more details or visit stores such as Noel Leeming, Smith City or Harvey Norman and ask for their BYOD options.

For more details of College BYOD information and sample flyers open this link in a web browser: goo.gl/EFAAAA
