PTA FUNDRAISER – Exercise Book Covers

www.ezcover.co.nz—the easy way to cover exercise books! Lots of designs to choose from and only \$1.70 each for all sizes. 15 cents from each cover goes to Mackenzie College PTA. Online ordering only. Select Mackenzie College from the drop down box, then enter the code EZ15. Come into the Library with your credit card if you'd like help ordering. See November 30th newsletter for more info. Flyers are available at the Office. Thanks for your support of PTA.

Year 9-11 Bring Your Own Device (BYOD) - 2019

Year 9 to 11 students are required to bring a digital device to school to support their learning. Bringing an **existing device from home is acceptable** as long as it meets the specifications described below. Additional items that will need to be supplied are headphones and a bag or case that provides adequate impact protection.

Choosing a device

A wide range of digital devices are currently available, and the College has determined that **Chromebooks** or **Laptops** (Windows or Mac) are the only suitable devices for our students' BYOD needs. Tablets (Android or iPad) are not suitable. The machine supplied must meet all of these essential requirements:

- It must access WIFI
- It must run Google Apps (this is school's online email and online collaborative document suite)
- A screen 11" or larger
- A physical keyboard (not part of the touchscreen)
- A battery life that will last the school day (a minimum of 5 hours of continuous work)
- Portable

Purchasing a device

If you do not have a suitable device already, most major stores will offer a range of BYOD bundles. The school cannot purchase bulk deals cheaper than what the major stores currently offer. A complete (budget) bundle can be obtained on hire purchase for just over a \$1 per day. A bundle typically comes with:

- Headphones and Mouse
- Impact protection, e.g. a laptop bag or hard case
- Extended warranties and insurance (highly recommended)

If a device is required for video or photo editing, then a laptop (Windows or Mac) is the recommended option.

The College gets regular flyers from IT companies with offers of BYOD bundles. Contact the school office (office@mackcollege.school.nz) for more details or visit stores such as Noel Leeming, Smith City or Harvey Norman and ask for their BYOD options.

For more details of College BYOD information and sample flyers open this link in a web browser: goo.gl/EFAAAA
