

MACKENZIE COLLEGE SENIOR STATIONERY LIST 2022

Please be aware that Year 11 & 13 students need their own digital device. See the school BYOD information sheet provided

GENERAL STATIONERY			
Pens and pencils	Ruler	Highlighters	Compass
Protractor	Glue Stick	Head/ear phones	Printing Credits \$2 and upwards (credits available from office)

Explanatory notes

1. Consider using an exercise book for class notes. Many students choose this.
2. For distance education classes the teacher sets the requirements. Use exercise books, folders etc. from last year where possible and don't buy too much refill at once but share amongst subjects. One pad at a time is enough. Includes graph paper for Science and or Maths.
3. Students are encouraged to bring their own laptops or similar devices.

Bring Your Own Device (BYOD) - 2022

Year 7 to 13 students will be required to bring a digital device to school to support their learning. This device can be an existing one from home or a new computer, as long as it meets the requirements below. Additional items that will need to be supplied are headphones and a bag or case that provides adequate impact protection.

Choosing a device

A wide range of digital devices are currently available, and the College has determined that **Chromebooks** or **Laptops** (Windows or Mac) are the only suitable devices for our students' BYOD needs. Tablets (Android or iPad) are not suitable. The machine supplied must meet all of these essential requirements:

- It must access WIFI
- It must run Google Apps (this is school's online email and online collaborative document suite)
- A screen 11" or larger
- A physical keyboard (not part of the touchscreen)
- A battery life that will last the school day (a minimum of 5 hours of continuous work)
- Portable

Bringing an **existing device from home is acceptable** as long as it meets the specifications described above.

Purchasing a device

If you do not have a suitable device already, most major stores will offer a range of BYOD bundles. The school cannot purchase bulk deals cheaper than what the major stores currently offer. A complete (budget) bundle can be obtained on hire purchase for just over a \$1 per day. A bundle typically comes with:

- Headphones and Mouse
- Impact protection, e.g. a laptop bag or hard case
- Extended warranties and insurance (highly recommended)

If a device is required for video or photo editing, then a laptop (Windows or Mac) is the recommended option.

The College gets regular flyers from IT companies with offers of BYOD bundles. Contact the school office (office@mackcollege.school.nz) for more details or visit stores such as Noel Leeming, Smith City or Harvey Norman and ask for their BYOD options.
